Mandibular Asymmetry in Unilateral Cleft Lip and Palate Individuals. Presented at the Meeting of the American Cleft Palate Craniofacial Association in New Orleans, Louisiana.

1996

Maxillary and Mandibular Asymmetry in Unilateral Cleft Lip and Palate Individuals. Presented at the Meeting of the American Association of Orthodontics (AAO) in Denver Colorado.

1996

Maxillary and Mandibular Asymmetry in Unilateral Cleft Lip and Palate Patients. Presented at the International Association of Dental Research (IADR) Meeting in Rochester New York.

1995

Recurrent Aphthous Stomatitis in the Population of Dental Students of Athens University. Presented at the Dental Students Conference, Dental School, University of Athens.

1995

Speech Deficiencies of Cleft Lip and Palate Children. Presented at the Dental Students Conference, Dental School, University of Athens.

1995

Cleft Palate Speech. Presented at the Medical Students Conference of the University of Athens.

1994

Speech Deficiencies of CLP Children. Presented at the 14th Pan-Hellenic Dental Congress in Cyprus.

1993

Dental Anomalies Orthodontics and Temporomandibular Disorders. Presented at the Scientific Dental Students Conference of the University of Athens.

RESEARCH ACTIVITY

1996-1999

Research for my Master Thesis. The Effects of Electric Current on Partially Condylectomized Mandibles in Growing Rabbits.

1996

Projects Presented in AAO Meetings and SAO Meetings During my Orthodontic Graduate Studies

1995-1996

Research Fellow at the Department of Orthodontics and Oral Sciences at the Eastman Dental Center, Rochester NY. Studied the Asymmetry of Individuals With Unilateral Cleft Lip and Palate Under the Supervision of Dr. Subtelny.

1995

I participated on the sample collection (TMJ examination and diagnostic evaluation) as part of the Ph.D. thesis of Dr. Andrikopulu Margarita. The subject involved the prevalence of Temporomandibular Disorders in women with Polycystic ovaries syndrome.

1995

Recurrent aphthous stomatitis in the population of Dental Students of Athens University. An epidemiological survey. Presented at the Dental students Conference of the University of Athens.

1994

Speech Deficiencies of Cleft Lip and Palate Children. M.N. Spyropoulos, C. Laspos, A. Xofillis, K. Konstantou. *Odontostomatological Progress J* 1995; 49, 3:170-179.

1994

I worked with Dr. Andrikopulu Margarita (Orthodontist D.D.S., MS) in a sample of 45 patients of her private office, treated with the Herbst appliance, in an effort to determine the effectiveness of the Herbst appliance on the low and high angle cases.

1993

Dental Anomalies Orthodontics and Temporomandibular Disorders. C. Laspos, N. Haralabakis. *Odontostomatological Progress*, 1994, 48, 3:134-143.
